

SORRY, YOU WERE OUT!

Percy Constable

One of my canvassers called today to ask for your support. Unfortunately you were not in. If possible someone will call again but if we run out of time would you please consider voting for me.

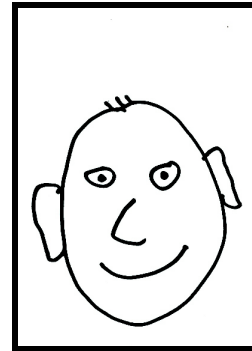

I am an Independent Candidate, which means I have not got the help of a Political Party. However it also means no party can tell me how to vote.

Thank you

PUBLIC TRANSPORT

Where are all the buses? With the global warming issue plus the recession you'd think there would be more buses on the road and less cars.

But the fact is that since 2008 there has been more services axed than in anytime in the history of public transport.

CUT HERE

Is this how you greeted your council tax bill?

The Borough's Council Tax grew by 25% this year. But the services are getting worse. Time for change?
